

# Garage Sale Permits

Following is a screenshot from the City of Dallas website, explaining how and where to get garage sale permits. Everyone within the City of Dallas Limits is required to have an approved permit before placing items out for sale.

The screenshot shows a web browser window with the URL <https://dallascityhall.com/departments/codecompliance/Pages/garage-sales.aspx>. On the left is a navigation menu with the following items: HOME, MEET THE DIRECTOR, CODE COMPLIANCE ORGANIZATIONAL CHART, ABOUT CODE COMPLIANCE, APPLY FOR A PERMIT, BOARDING HOMES, CONVENIENCE STORE REGISTRATION, ILLEGAL DUMPING, MOSQUITO CONTROL, NEIGHBORHOOD CODE, and NUISANCE ABATEMENT. The main content area features a large heading "ATTENTION" in red, followed by the underlined heading "GARAGE SALE PERMITS" in blue. Below this, red text states: "Garage Sale Permits are issued ONLY by Code Compliance Revenue & Collections Division (Libraries are NOT issuing permits)". Further red text explains: "Everyone within the City of Dallas Limits is required to have an approved permit before placing items out for sale. This permit does NOT include Community Sales/Food Vending/Car Washes/Flea Market like Sales". It also notes: "All requests must be received at least 1 week in advance of your Garage Sale" and "Dates to be processed in a timely manner". At the bottom left, the text "Requirements:" is followed by the underlined link "Residential Sales:". In the bottom right corner, there is a chatbot interface with a blue circular icon and a dark blue message box that says "Hi, I am DalBot! How may I help you?".
