

YOU'VE BEEN ELFED!

HOW TO PLAY THE ELFING GAME

1. Put the "I've Been Elfed" sign on your front door

This lets neighbors know you've already been surprised and helps the game spread throughout the neighborhood.

2. Put together a small surprise bundle

Ideas include: Holiday candy or snacks. • A festive ornament
Stickers • A cheerful note • Any small, fun, seasonal gift

3. Make a copy of these instructions

Include this instruction sheet with each elf bundle you deliver so the game continues smoothly.

4. Secretly deliver your elf bundle

Leave it on a neighbor's doorstep, or another spot where they'll find it – without getting caught!

5. The recipient is now "elfed"
